

**CHRISTMAS 2018
MILFORD SENIOR CITIZEN'S
CLUB
CHRISTMAS PARTY
PHOTO BOOK**

Above: Some of the dance club's beauties - the dance club has some of the best looking ladies in the city and these photos prove it! Above Alice, Anna, LeeMin & Emily strike a pose for the camera. They are all great friends who love to dance and very rarely do they miss a class - these girls belong to the Thursday Treasures Group and also the Friday Nighters!

Juvena, Jing & Bosco also are Thursday Treasures and Friday Nighters who love their dance and very rarely miss a class - how about Bosco (aka Elvis) on the right?

The wonderful "Flappers" looking very much a part of the Roaring 20-30's - (left to right) Carole, Peggy, Jan, Debbie & Dale. Debbie is also a Friday Nighter and the others all belong to our great Thursday class. Jan was a busy girl at Christmas show time, she was one of Vickie's Chefs who did a wonderful number "If I knew you were comin" I'd have baked a cake!"

On the left are LeeMin & Emily, they did a cute little 1950's number called "Clickety Clack" all about 2 cute little girls dressed in yellow and black. They were wonderful at their item and the audience loved them. Well done girls!

The best "chefs" in town - Vickie and her team opened the Variety Show with a lively happy little number "If I knew you were comin' I'd have baked a cake" - a great old 1940&50's favourite. The group really looked wonderful and made every one smile and tap their toes! Well done Vickie who co-ordinated her team! Vickie, Jan, Pauline, LeeMin, Bosco & Emily.

GLAMOUR & STYLE! Floor shots of the Flappers and Charleston Girls who did 2 great numbers - The Charleston Girls: "Bring it all down to my house Honey - there ain't no body home but me!" a lively cheeky little number while the Flappers did their Roaring 30's number and impressed the audience.

The terrific Marezy Doats team with Aye Tie, Irene, Sally & Margaret in their Christmas hats. The song is a funny little cute song of the 1940's & remade in the early 1950's and a great favourite happy sing a long song!

Team leader Pat above left - the little routine they danced to was one I wrote for Pat when she first started dancing so it was fitting she should lead the Marezy Doats team. Centre are Denise and Jo (who also did the Charleston number) and left Margaret again proving that she can keep up with anyone else on the floor as our eldest Thursday Treasure!

A whole floor routine and a great mix of 1960's rockers, 1930's Flappers, Bosa Nova girls and Marezy Doats team. Above left Mary in her Elvis shirt was one of the leaders of the 1960's rockers with Peggy looking every bit a 1930's stylish Flapper on the right. Then came Vickie in yet another quick change complete with bright red wig and Aye Tie. Below floor shots, Bosco, LeeMin, Vonnice (looking like a film star) with Josephine and a line up on the left in deep concentration.... Sandra in the red and Sally.

Action and style abound with John & Sally on the left in Marsey Doats, Mary in her Elvis gear, Eileen in her Roaring 30's look, Toia & John doing the rock & roll number.

Action floor shots - Val & John left & centre doing their Mama Mia routine, and quick change artist Vickie doing the Latin Bosa Nova dance looking every bit a Latin beauty!

The Friday Nighters doing their "Back Street Boogie" fast and furious and lots of fun. This keen group dance every Friday night. The dances are to intermediate level and they all adore the challenge. They do a huge variety of dance and the loyal group rarely miss a class and are firm friends. They also did back up for our star performer, Paulene, in her Riverdance routine - they practised each week without knowing who the surprise guest would be!

PAULENE STEALS THE SHOW! Billed on the programme as the "mystery act" not even the Friday Nighters knew Paulene was to dance with them in their Riverdance routine. Paulene blew everyone away when John led her on to the floor to do her favourite dance. She gave a faultless display of great timing and style and love of dance. The crowd went wild and clapped throughout Paulene's Riverdance routine. **SHE WAS WITHOUT A DOUBT THE STAR OF THE SHOW!**

The entire dance group then joined Paulene on the floor to do a waltz written especially for her "Paulene's Waltz" the group had been practising the waltz each week knowing it as the Rainbow waltz. They were delighted and surprised when Paulene joined them. Paulene chose the pretty piece "Rainbow Connection" for her waltz and from now on it will always be Paulene's Waltz.

Our two beautiful sisters put their graceful style to a lovely waltz. "Could I have this dance for the rest of my life". They delighted the audience with their performance. I was very proud as they danced a waltz that I had written with such grace and beauty! Thank you girls you made me proud!

Shots of some of the audience and dance floor shots!

It was a great Christmas Party with happy smiles all around - more than 65 were there on the day - a number of the members had brought their children and grandchildren and it was a delight to see the younger ones discovering our type of dance and music - I am sure they never knew how clever and fast moving their grandparents were! We expect to see more and more members' grandchildren sharing the parties with their grandparents at future social events.... this all helps to keep the club alive and thriving and families and friends close and we will all keep young together and stay young at heart!

Merry Christmas everyone - share great times with your children, grandchildren and friends and we will all be together again in the New Year 2019!

The eldest dance club member Margaret meets our youngest dance club member - proud Peggy's brand new grandson! Peggy's family attended the Christmas party which delighted us all. Well done family we all just adore our smallest dance club member!

Vickie, Aleecia & Kenneth - Aleecia danced "Rockin' around the Christmas tree" with the whole floor and she had all the moves and claps in the right places! I need her in my class! She has inherited her grandmother's love of music and dance and her good looks..... but then she has a look of her proud grandfather too! Below: Sandra's lovely family - her grandchildren danced and showed they had their grandmothers style doing the woolly bully and they looked like they enjoyed themselves.

**Above: A happy crowd taking a well earned break
Below - friends Vickie & Vonnie and more crowd shots!**

Gay and husband Chris - who is a wonderful sport and always joins in all our social events.... Gay was one of the lovely Charleston girls. Sally and her husband Steff are both class favourites and Sally did several items - Marsey Doats and the Charleston number.
